

Email sent to all parents on Fri 10th July 2026:

Dear Parent/Carer,

SCHOOL BOOKS AND TOPIC BOOKS

We are sending your child's Summer Topic book home next week along with other schoolwork, so that you will be able to enjoy, share and celebrate all the wonderful work that has been completed over this year. We do hope that you will have time, over the holiday, to take the opportunity to discuss the different pieces of work with your child.

Many thanks once again for all your support toward the successful learning for our children this year.

Kind regards,

School Office on behalf of the School Leadership Team

P.S Your child may need a large carrier/long life bag to bring the books home.
