Dear Parents and Carers,

‘MILES FOR MOMBASA’ – Week beginning 13th July 2026

We are delighted to let you know that our School Council has voted to continue supporting Friends of Mombasa this year and has decided that this year's fundraising event will be **Miles for Mombasa – a sponsored run across Kenya!**

Broadwater has proudly supported Friends of Mombasa for many years. Recently, pupils also enjoyed a live assembly link with Unity School in Mombasa whilst members of the charity were visiting, further strengthening our connection with the children and community there.

An update from Friends of Mombasa and Unity School: *“The money raised this year will be going towards our medical programme. Due to the region we are in, respiratory ailments are prevalent, especially dengue fever. Sick children cannot learn, so we need to keep our children as healthy as possible.”*

During PE lessons, all children will take part in running laps around the field with their class. In total, the children will run approximately 600 miles, which is the width of Kenya. This will be linked with Unity School in Mombasa, who will be adding to our cumulative miles.

We would be very grateful if you are able to support your child in gaining sponsorship for this event, helping us to make a real difference for children in Kenya. Sponsorship forms have been given to your children today and include further details. Please ensure **completed forms** and sponsorship money are returned to school by **Friday 17th July**, once your child has completed their part of the sponsored run.

Thank you, as always, for your continued support.

Yours sincerely,

Miss Walker and the School Council
