Dear Parents and Carers of children in Years 1-6,

We are pleased to continue offering Food Technology lessons this year, giving children valuable hands-on experience in preparing and cooking a variety of healthy dishes. These sessions not only support the curriculum but also help children develop essential life skills and an understanding of healthy eating.

Throughout each year, the children have various opportunities to practise their cooking skills. For example, in Year 1 children have the chance to make Gruffalo biscuits, whilst in Year 2 the pupils create their own delicious fish cakes. Using a pasta maker, Year 3 children make their very own pasta and in Year 4 groups of children design, cook and eat their own vegetable curry. When learning about the Egyptians, Year 5 create their own flatbread and Year 6 design and cook their own pizzas.

Due to the **rising cost of ingredients and materials, and to ensure we can continue to provide this level of cooking** we are asking for a **voluntary contribution of £2 per child for the year**. This small donation will go directly towards purchasing fresh ingredients and ensuring that every child can fully participate in these practical lessons.

The donation is available via the School Shop on the MCAS app. Please see the guide below if needed. (Note: if you are using a desk/laptop computer then go to 'Broadwater C of E Payment'.)

We appreciate your continued support in helping us provide meaningful and enjoyable learning experiences.

If you have any questions or concerns, please don't hesitate to get in touch.

Kind regards

Mrs Lund
DT Coordinator

Turn your ear to wisdom and apply your heart to understanding (PROVERBS 2:2)

How to Pay for Items in Our School Shop, on the MCAS App:

- 1) Go to the **"Store"** icon at the bottom of you MCAS home screen
- 2) Select the item you want and click **"Add to Basket"**
- 3) Go to the **"Shopping Basket"** icon in the top right corner
- 4) Click **"Checkout"**
- 5) Select a **"Payment Option"** from the dropdown menu and then click **"Next"**
- 6) This takes you to the **"Order Summary"** screen, where you complete your payment.
