

Email sent to all parents/carers on Thurs 7 May re. School Council supporting MENCAP on Friday 15 May 2026:

Dear Parents and Carers

The School Council continues to discuss ways we can support our wider community and make a positive difference. After thoughtful consideration, they have chosen to support Worthing Mencap as one of our school charities this year. Mencap is a fantastic organisation that works to improve the lives of people with learning disabilities, and we are proud to support their important work.

On Friday 15th May, we will be taking part in a 'Coin Trail', where pupils will work together to place coins on the ground to create the outline of our school logo.

We kindly ask that children bring in any spare coins or loose change (UK currency only) they are able to donate on Friday 15th May. Every coin, no matter how small, will help make our coin trail bigger and better. During the day, each class will go to the playground to lay down their coins; the School Council will then collect the coins together which will form the school's donation. By taking part, pupils will be helping to make a real difference to others.

All money raised will be donated to Worthing Mencap.

Thank you for your continued support and generosity.

Yours sincerely,
The School Council
