Dear Year 1 Parent/Carer,

Year 1 – Surprise Visitors of Hedgehogs & Owls!!

On **Friday 17th October** we will be having a visitor from Huxley's Bird of Prey Centre to talk to the children about owls. This will be an informative session to help with our study on owls. **The children will be told about this on the day.** This will also be a wonderful opportunity for the children to meet real live owls and to see some flying demonstrations with supervised stroking of the owls. Please let us know if your child has any known allergies to birds by either informing the class teacher or sending an email to the office: office@broadwaterce.org

On **Friday 24th October**, a Hedgehog Rescue Centre will be coming to give a surprise talk with a unique opportunity to meet a real hedgehog. Please let the school know if your child has allergies/considerations relating to being near to a hedgehog.

Both centres do a wonderful work in rescuing and rehabilitating wild, injured hedgehogs & birds of prey, this does mean there is a cost involved for the school to help with their ongoing work. We would therefore like to ask for a contribution of **£8.60** per child for our visitors which then helps towards the work of the rescue centres, this can be paid for via MCAS.

Yours sincerely,
S Emerson / D Langdell / R Rowden / R Owens
Year 1 Class Teachers
