17th September 2026

Dear Year 1 Parents/Carers,

SCIENCE WEEK

Next week we are planning to hold a science week.

For part of the week, we will be learning about different parts of our bodies.

As part of our RSHE and science curriculum, we shall be teaching the words for the private body parts including penis and vulva. This will be covered in an age-appropriate way.

As part of our work on the five senses, we shall be finding out more about our sense of taste. We will be smelling and sampling small amounts of the following foods: marmite, lemon, cinnamon, honey, lemon juice and mint. Please inform us of any reason why your child shouldn't sample any of these food items by Tuesday 22nd September.

Thank you for your continued support.

Year 1 Teachers
