

Email sent to Y3 on Thurs 26 March re. DT Materials for Summer term:

Dear Year 3 Parent/Carer,

Summer DT - materials for Stone Age shelters for Mon 13th April

As part of our stunning start next term, we are going to be making Stone Age shelters. To help with this, please could you collect some twigs (no longer than 30cm) and leaves to bring in for the first Monday back (13th April). Please could your child bring these in a carrier bag to share with their class.

Thank you in advance and have a lovely Easter break.
The Year 3 Team
