Updated Email sent to Year 4 Parent/Carers on Thurs 22 Oct re. FAB Finish to topic

Dear Year 4 Parents/ Carers,

As part of our FAB Finish to our Raiders and Traders topic, we will be creating our own mosaics using natural resources on the playground. It would be lovely if the children could collect any natural items that we could use to support this, such as: small pebbles, shells, small stones and small rocks of varying colours. They could share these with their peers.

Please could you bring these in for **Monday 14th December**.

Kind regards,

Miss Mackinnon and Mrs Dinch
