Email sent to Y5 Parents on Thurs 15 Oct re. BBC Documentary

Dear Year 5 Parent/Carer,

Permission to watch BBC Documentary of Tutankhamun's Tomb - Egypt: Rediscovering A Lost World

Next week, we would like to watch parts of a BBC documentary about the discovery of Tutankhamun's tomb by Howard Carter. However, this DVD does have a 12-rating; there are some scenes containing mild language, smoking and forensic detail. We have viewed the DVD and used it as part of the learning in Year 5 for the past six years. Therefore, we feel that the particular episode we will be viewing is suitable for the children.

If you have any concerns or do not wish your child to watch the DVD, please contact your child's class teacher by **Friday 23rd October at the latest.** You can also send an email via office@broadwaterce.org.

Kind regards,
Year 5 Team
