

**Reminder email sent to Y6 parent/carers on Mon 18<sup>th</sup> May re. Paultons Trip:**

Dear Year 6 Parents/Carers,

**Reminder about the Y6 Trip to Paultons Park on Thurs 21<sup>st</sup> May 2026**

- Children **must not have their mobile phone** on the trip. **Please do not bring it to school on this day.** This is for safety reasons as our bags are left unattended at rides and we cannot guarantee security of expensive items.

- **Spending money:**

As you will have read on the trip letter, Paulton's Park is a cashless theme park. There are two options for bringing spending money (A maximum of £20 is suggested). Please ensure your child brings a purse or wallet to hold this money.

1) Your child may bring their current account debit card, if they have one, and you are happy for them to take responsibility for this. Please ensure they know their PIN number in case contactless facilities do not work.

2) Your child may bring cash, which we can then get put onto a 'gift card' when we get to the park. This will allow your child to spend their money during the day.

Please note: it is not possible for unspent money to be refunded so we will recommend that children only add a small amount at first, and we can always add more to it later. Spending money will **not** be used for buying lunch with; children can purchase a sweet treat (ice cream, for example), some sweets and a ride photo. Children must bring a packed lunch.

- **Extended day:**

The coach will be leaving school at 8:30am so children will need to arrive at school at **8:15am** please. Children will be let into their classrooms in the normal way at 8:15am.

We will be returning to school at approximately **6:00pm** so please collect your child from the front of the school then. We will let parents know if there are any delays to this expected arrival time back at school.

Many thanks  
The Year 6 team
