Dear Year 6 Parent/Carer,

Year six resource books

In Year 6 we use some published resources to support both class work and homework. We have found that these 'revision guide' style workbooks, from a company called CGP books, are particularly good for recapping the year 6 curriculum topics and allow our homework to be fully focussed on preparing the children for the end of Key Stage 2.

Your child will have brought some of these books home for English homework already along with a structured timetable for the homework for the whole of the Autumn term. After Christmas, homework in maths and reading will be added to this revision schedule. It should, therefore, not be necessary for parents to purchase any other 'revision' or 'SATs practice' material that is on the market.

The school is subsidising the cost of these books as we feel they are an important way of helping your child; we are asking you for a voluntary contribution of £11.50 per child towards the homework material which your child will write in and keep as a key revision tool. This cost will cover all homework and revision resources for the year.

This can be paid for via the School Shop on MCAS. Please see the guide below if needed. (Note: if you are using a desk/laptop computer then go to 'Broadwater C of E Payment.) We will, of course, always be ready to help in cases of genuine financial difficulty - please do speak in confidence to the office manager office@broadwaterce.org

We hope that you can see we are keen to support all the pupils to achieve their best, and there is much research to support the view that education is most successful when it takes place in partnership with, and in cooperation between pupil, home and school. Thank you for your support.

Yours sincerely,
Year 6 Staff
