

Email sent to Y6 Parents on Thurs 13 Nov re. Y6 Community Events:

Dear Year 6 Parents/Carers,

Year 6 Community Events

We are pleased to say, to support our ongoing links with the local community, Year 6 will be visiting a number of locations during this Christmas period to spread a little festive cheer by carol singing.

All of the children will be singing in one of the following locations on **Monday 8th December:**

- Ramsey Hall, Byron Road: retirement housing for clergy pensioners
- Cambridge Lodge, Shelley Road: retirement housing
- Melrose Care Nursing Home, Whykeham Road: nursing home
- Linfield House, Whykeham Road: nursing home

We will be walking to the locations and singing during the morning (approximately 9:30-12:30noon).

In addition, this year, we have been invited to sing at some other Broadwater-based care homes too. This will be in the afternoon of **Tuesday 9th December**. Children will walk and children will sing in one of the following places:

- Baytrees Nursing Home, Highfield Road
- Merriman Grange care home, Warren Road

We will need some helpers to walk with us to and from these locations on both of the days. Please let the office know if you would be able to help; joining in with the singing would be a bonus!

Children are very welcome to bring in a Christmas accessory to wear with their school uniform (no Christmas jumpers) such as a Christmas hat, headband, badge or some tinsel. Please wear school uniform instead of PE kit on the Tuesday as this would usually be one of our PE days.

We are all looking forward to bringing a little Christmas joy to the local care home residents.

Year 6 team
