

# BROADWATER WRAP AROUND CARE NEWSLETTER

## Spring Term

---

What a great end to this term, with Spring just starting to make an appearance and the sunshine enabling the children to spend longer outside. Hopefully this will enable us to provide them with more outdoor activities in the weeks ahead.

Over the past few weeks, the children have been given the opportunity to celebrate Easter through a range of activities, such as: wreath and card making and the creation of Easter 'animals' in a variety of ways such as paper chains, bobble friends and using concertina folds to make Easter chicks.

We have also welcomed a new member of staff this term Miss Williams! The children have really enjoyed having her around to support their activities.

### Notice:
