

BROADWATER WRAP AROUND CARE

Autumn Newsletter 2025

This term has been slightly different for those children who attend Wrap Around Care. As you are all aware we expanded Wrap Around to accommodate more children. The children have settled in well to the new routine we are following.

The Year 3 and Year 4 children are now based in the Studio for the first half of the session and then join back with the other year groups for the remainder of the afternoon. The other year groups have specific areas that they are in for the first session too. All children have snack together and are then able to have free choice following this within the allocated areas for that afternoon.

As always, we have provided a wide range of activities for the children to explore and play this term.

In other news we would like to welcome Ms Stenning and Miss Lawrence to Wrap Around Care; they both joined our lovely team in September.

We hope you all have a lovely break over the festive period.

Please can parents be aware of our opening and closing times- 7.30am start and 5.30 finish. Also if your child is being collected by someone not on the collection list we will need to be notified prior to the adult arriving for collection. This can be done by filling out an orange slip or emailing the office; specifying Wrap Around Care.
