Homework will continue to be set on Google Classroom on a Thursday.

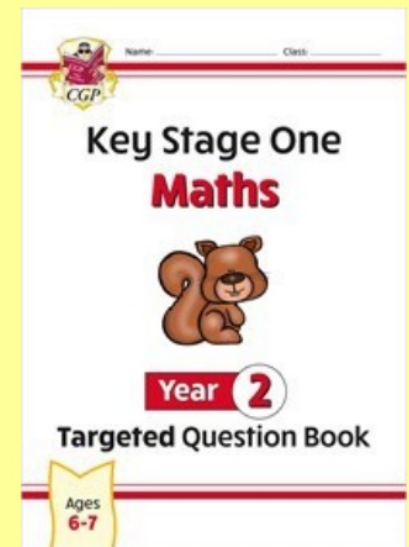

# Homework - CGP books

Encourage the children to do jottings in the CGP book or in their homework book.

Just needs a photo or comment from you.

Please mark their work.

# Maths

## Arithmetic practise

Jottings - see  
website or  
speak to us!

$63 + 29 =$

$40 - 29 =$

$6 \times 3 =$

$70 \div 10 =$

Water bottles need to be in daily.

Please NAME all jumpers and cardigans.

Suncream on and hat in daily.

# SATs...

## Information for parents:

optional national curriculum tests  
at the end of key stage 1 from 2024

### What are the optional key stage 1 tests?

If you have a child in year 2, at the end of key stage 1 (KS1) they may take part in national curriculum tests in:

- English grammar, punctuation and spelling
- English reading
- mathematics

Some people refer to these tests as 'SATs'.

The tests are not mandatory for schools to administer at the end of KS1, but your child's school may choose to use them to help identify where pupils need additional support as they transition into key stage 2 (KS2).

The English reading and mathematics tests were previously mandatory, but they became optional from the academic year 2023 to 2024 to reduce the overall number of tests children have to take in primary school.

- Reading
- Maths
- GPS

## SATs continued...

- Not strictly timed
- Completed as a 'quiz' as part of usual lessons (not called SATs)
- Will be taken in May or June
- No longer statutory but used to support teacher judgements so they are ready for year 3 (KS2)

## How can you help at home?

Thank you for your continued support with homework and reading.

Spellings practised at least weekly- write each word into a sentence too.

10 minutes of Numbots regularly to help with mental agility.

Arithmetic practise
