# The Tests

SATs stands for Standard Assessment Tests and are taken by all Year 6 pupils nationally. This year, the tests will take place from Monday 11<sup>th</sup> - Thursday 14<sup>th</sup> May 2026.

## English

- **Grammar, punctuation and spelling** out of 70 marks altogether
  - Paper 1: (45 minutes) short answers
  - Paper 2: (approx. 15 minutes) spelling
- **Reading** (60 minutes) out of 50 marks

## Mathematics

- Paper 1: Arithmetic (30 minutes) out of 40 marks
- Paper 2: Reasoning (40 minutes) out of 35 marks
- Paper 3: Reasoning (40 minutes) out of 35 marks- out of 110 altogether

- All tests are externally marked, results are returned to school in July.
- **Writing** and **Science** will be Teacher Assessed internally, as in recent years.

# The Tests- SATs week

Date	Activity
Monday 11 May 2026	English grammar, punctuation and spelling Papers 1 and 2
Tuesday 12 May 2026	English reading
Wednesday 13 May 2026	Mathematics Papers 1 and 2
Thursday 14 May 2026	Mathematics Paper 3

# Spelling, Punctuation and Grammar

- Takes place on the **Monday**.
- Paper 1: Punctuation, Vocabulary and Grammar
- This test lasts for 45 minutes and requires short answer questions, including some multiple choice.
- Paper 2: A Spelling test containing 20 words, lasting approximately 15 minutes.
- Marks for these two tests are added together to give a total for Spelling, Punctuation and Grammar out of 70.

# Reading

- Takes place on the **Tuesday**.
- The Reading Test consists of a single test paper with three unrelated reading texts.
- Children are given 60 minutes in total, which includes reading the texts and answering the questions. A total of 50 marks are available.
- Questions are designed to assess the comprehension and understanding of a child's reading.
- Some questions are multiple choice or selected response, others require short answers and some require an extended response or explanation.

# Mathematics

- Take place on the **Wednesday** and **Thursday**. Children will sit three tests: Paper 1, Paper 2 and Paper 3.
- Paper 1 is for 'Arithmetic' lasting for 30 minutes, covering calculation methods for all operations, including use of fractions, percentages and decimals.
- Questions gradually increase in difficulty. They are KS2 tests so the content reflects maths learning from years 3-6.
- Papers 2 and 3 cover 'Problem Solving and Reasoning', each lasting for 40 minutes.
- Pupils will still require calculation skills but will need to answer questions in context and decide what is required to find a solution.

- Questions gradually increase in difficulty. The content is from across KS2 as seen in the table below:

# Revision materials

- **Maths**- CGP resource books “standard” or “stretch” levels for most children.
- **English**- CGP resource books for Spelling, Punctuation and Grammar (continuing in the same way from the Autumn term)  
CGP resource books for Reading comprehension, alongside practice test papers later in the term.

English homework is set on a **Monday** and due in school the following **Monday**.

Maths homework is set on a **Tuesday** and due in the following **Tuesday**.

We will be using self and peer marking to mark homework within our lessons;  
it is **crucial** that homework is brought in on the correct day.

# Revision timetable

We would strongly recommend making a revision timetable with your child to spread homework across the week, choosing times that fit in best with family routines/commitments.

From experience, we know that keeping up with the homework is one of the best ways to manage any anxiety about SATs. Setting up a good routine is crucial and will help avoid any stress and uncertainty.

# How to Help Your Child

- First and foremost, support and reassure your child that there is nothing to worry about and they should always just try their best. Praise and encourage!
- Ensure your child has the best possible attendance at school.
- Support your child with the homework tasks. Encourage independence where possible but offer support if you feel able to. Answers are available to help parents.
- Reading, spelling and arithmetic (e.g. times tables) are always good to practise.
- Talk to your child about what they have learnt at school and what book(s) they are reading (the character, the plot, their opinion).
- Make sure your child has a good sleep and healthy breakfast every morning!

# The week itself

11<sup>th</sup>-14<sup>th</sup> May

- ❖ Timetable
- ❖ Lots of sleep-early nights, eat well
- ❖ Breakfast
- ❖ Don't panic but be there and be on time
- ❖ Squash and snacks
- ❖ Exciting things in the Summer term to look forward to!

Ultimately, we are all here to do the best that we can to support your children and to make sure they are as prepared as they can be. They will be amazing!

# Any questions?

This week, your child will be bringing home the answers that match their maths homework book.

We give you these to support **you** in helping your child with their homework.

You will find a copy of the homework timetables in the front of the maths and the reading books.

These are also on the school website and Google Classroom.

We hope that this meeting has given you all the information that you need. However, if you do have further questions please contact us via [office@broadwaterce.org](mailto:office@broadwaterce.org) and we'll get back to you.
