Lost Property

All items of lost property are taken to the Lost Property Storage Unit in the entrance foyer to the school.. They are checked for a name. Named articles are returned to their owners. Unnamed articles are kept in the Lost Property Storage Unit. **Unclaimed articles are disposed of** every half term.

School Dinners

Under the Government Universal Free School Meals programme, all children in Early Years, Years 1 and 2 are entitled to a free school meal provided by West Sussex FEED (Feeding Excellence Every Day) by ISS [Home | FEED West Sussex](#). If you wish your child to have a hot school lunch it must be booked via Kanpla. Meals can be booked in advance. Orders must be placed no later than 09:00am on the day required.

In Years 3, 4 5 & 6 school lunches are no longer government funded unless they are in receipt of KS2 free school meals.

Milk

Milk is available to all children. For Children under 5 it is free. To register for your child to receive milk please use www.CoolMilk.com or phone 0800 321 3248. Milk is no longer ordered through the school.

Homework

Homework is set regularly. The Homework Policy can be viewed on our website. Children in Early Years and Year 1 will be set homework and they have a homework book. Homework for children in Years 2 to 6 will be set on Google Classroom. They are also given a contact book for communication and a homework book for some activities.

Clubs

The school has many clubs covering sports, music and hobbies. Some clubs offered may incur an additional charge. A list is issued each term and parents need to sign up online using the MCAS App. Places are allocated on a first come, first served basis. Where possible we will keep a waiting list. If it is wet and your child attends an outside club, please ring after 2pm. A message will be uploaded onto the phone system as well to advise if clubs are cancelled.

Musical Instrument Lessons

The school offers musical instrument lessons through peripatetic teachers. Please see all the details of the instruments we offer on our website and the details of how to contact the teachers direct.

Governors' Charging Policy

It is the school's policy to request, from time to time, voluntary contributions from parents for school activities, which may only run if there is sufficient voluntary funding. We do, however, aim to ensure that no pupil is debarred from an activity solely by the inability of the parents to pay. Cases of hardship should be referred to the Headteacher. The charging for Residential Visits is slightly different. (The full policy is available from the school office.)

Attendance

Absences

If your child is away from school for any reason, you should telephone to let us know. If we do not hear from you by 10.30am, we will contact you. We are required by law to keep a record and to follow up absences when there is inadequate/no reason. If attendance is a problem, we may inform the Designated Schools Team, who is available to help you if you are having difficulty getting your child to come to school. Please speak to the Headteacher to discuss the help available.

Please note that, in accordance with NHS guidelines, we have a 48 hour sickness absence policy with regard to children being physically sick or with diarrhoea. Your child should not return to school until 48 hours have elapsed from the time of the last symptom.

Term-Time Holiday/Absences Requests

Amendments to The Education (Pupil Registration) (England) Regulations 2006 make it clear that Head Teachers may not grant any leave of absence during term time, unless there are **exceptional circumstances**.

An Absence request form needs to be completed (this is available from the school office). Please try and give as much notice as you can.

The school will not authorise holiday absence during school term time and remind you that you should plan holidays on non-school days only. You should be aware that absence from school may result in a fixed penalty notice and a fine. If you have any concerns or questions about taking holidays or extended absences, then please speak to a member of our leadership team.

If you are away for more than six weeks, we are required to take your child off the school roll. You can apply for them to be re-admitted when you return, but we cannot guarantee a place.

Lateness

If your child is going to be late for school and you know in advance, please let your child's class teacher know either by a note, or by telephoning the school office. If your child is going to be late for unforeseen circumstances, please try to telephone and let us know. If your child is often late to school, we may contact you to find out whether we can solve the problem together. In extreme cases the Local Authority may become involved. When children arrive, if the register has been completed they (or you) **must** sign your child in at the main office.

Medical Appointments

If possible, please try to arrange these out of school hours. If your child has a medical appointment during school hours please let us know who will collect them and at what time. Please come to reception to collect your child. We do not allow children to leave the school unaccompanied during lesson time. Children should report to Reception on their return to school.

Medicines

Prescribed medicines can **only** be administered with the appropriate forms completed. Please speak with the School Receptionist for further information. Doctors will prescribe most short term medicines in 3 doses per day so that children can be given this outside school hours. Children who use inhalers are advised to have one with them in class and a reserve in the medical room (both clearly named).

Moving House/Contact Information

Please let the school know of all changes of **address, telephone number**, as soon as possible to ensure we hold the correct information. You can edit and submit changes via your child's MCAS account. Alternatively, you can **email the school office**. Please ensure you also let us know immediately if you change your 'emergency contact' number. If your child is having to change schools, please let us know as soon as possible and complete a **withdrawal form** (obtainable from the school office). We need to know the new school so that we can send your child's school records.

No Smoking or Vaping Policy

The school operates a strict No Smoking and Vaping Policy throughout the site. We are very grateful that you comply with this policy. The same applies to vaping.

No Dogs on Site

Dogs are not permitted on the school site.

Safeguarding

The school treats the protection of children very seriously. All staff are made aware each year of what to do if they suspect that a child is at risk. The Designated Safeguarding Leads are Mr Aaron Morrissey (Headteacher), Mr Paul Barnard (Senco), Mrs Anna Corless (Deputy Headteacher) and Mrs Robertson (Pastoral Lead).

If you have a concern or complaint

The school has an agreed formal policy for dealing with concerns, this is in line with the recommendations of the Local Authority.

There are now 3 stages to dealing with a complaint:

Informal Discussion	Discuss concerns informally with relevant teacher/staff member
Stage One	Discuss concerns, or raise a complaint in writing, formally with the Headteacher
Stage Two	Make a formal complaint in writing to the Chair of Governors or a nominated governor who will then convene a Complaints Panel.

The School's Complaints Co-ordinator is the Headteacher, who is responsible for the operation and management of the school complaints procedure and will be able to provide further information on request.

Most important to us, is that the concern is discussed, and therefore the above chart is for guidance. We are all here to help you, and especially your children. If you feel there is any way we can help to make school a happier and more fulfilling place for your children, please do let us know. The Headteacher, is always happy to make appointments to see parents and discuss any concerns.

Staff Meetings

Teaching staff are happy to make themselves available to meet with you to discuss a concern. Please note that staff training meetings take place every Tuesday from 3.30pm, it is therefore very difficult for teachers to meet with you after school on Tuesdays. Staff also run clubs and some of these are after school – if this is the case, again they will not be able to meet you that evening. Please contact the office to arrange a meeting with a teacher.

Valuables

We strongly encourage children not to bring anything into school that is valuable. If **mobile phones** are brought into school they must be switched off and **never** used on the school premises. Children are responsible for their own phones/valuables and the school cannot be held liable for theft, loss or damage to them. We recommend that if your child must have one, you purchase the cheapest and simplest model you can find. **Mobiles** will be removed if they are used in school and parents will be asked to collect them. The school has a policy of no smart watches or wearable technology in school.

Helping in School

We value and appreciate any help we are given to support the work of the school. There are three main ways you can help in school.

- The parent/teacher association is called Friends @ Broadwater (FAB) and they require help for their many events.
- Help can always be used in learning activities, or with practical tasks eg library.
- Finally with our ever growing number of clubs, we could always do with extra help for these. If you are able to spare a few hours (either regularly or occasionally) please contact the Office who will be very happy to tell you more and discuss the possibilities with you.
