BROADWATER CHURCH OF ENGLAND PRIMARY SCHOOL

STARTING SCHOOL ENROLMENT BOOKLET

Child's Name: _____

Child's Date of Birth: _____

Date of Admission: _____

Please complete this enrolment booklet and return to the school by your child's first day at school.

The information required is very important to us, so please make sure you read it all carefully and complete all the questions (if you would like any help to complete the forms please ask a member of the office staff who would be pleased to assist you).

It is very important that you give clear, precise contact details and keep them updated (many people change their phone numbers and forget to tell us), so that we can contact you in case of any emergency.

Our school uses an online parent payment system called Parent Pay. In September, we will issue new parents with a user code for the Parent Pay system and once registered you can make payments for trips using a credit or debit card, view receipts for transactions and check account balances. Parents can access Parent Pay from a computer or mobile from home or work. Using this system is simple, convenient and free for parents and allows us as a school to cut down on the amount of paper and envelopes we use.

Finally, if you have any other concerns please don't hesitate to contact the school.

Thank you for your co-operation.

Parents or those with parental responsibilities are asked to support or advise those children aged over 11 in making this decision, wherever necessary. Pupils aged 16 or over can make this decision for themselves.

Please study the list below and tick one box only to indicate the ethnic background of the pupil or child. Please also tick whether the form was filled in by a parent or the pupil.

FREE SCHOOL MEALS AND PUPIL PREMIUM

Can you help the school by registering for Free School Meals?

All children who are in Reception, Year 1 or Year 2 in a state funded school have been eligible for free healthy school lunches. This is known as the Universal Infant Free School Meal. Children in other school year groups will also be offered a free school lunch if their parent is receiving any of the state benefits listed overleaf.

Registering could raise money for your child's school

Registering for a free school meal eligibility check could raise an extra grant of £1,455 per year, per child, for your child's primary school, or £1,035 per child for secondary schools, to fund valuable support like extra tuition, additional teaching staff or after school activities.

This additional money is available from the government for every child whose parent is receiving one of the state benefits listed in the form. It is therefore important to register for a free school meal eligibility check, even if your child is in Reception, Year 1 or Year 2, so that your child's school receives as much funding as possible.

You only need to complete this form once and it will last for the duration of your child's time at their current school.

School hot meals are ordered through 'ParentPay' with our current school meals provider; once enrolled you will receive an activation code to set this up.

Who is eligible for free school meals? (see over the page)

To apply online: please go to the West Sussex website where you will find the online form and the guidance notes on how to complete this. This will only need to be completed once and will last for the duration of your child's time at their current school.

<https://www.westsussex.gov.uk/education-children-and-families/schools-and-colleges/free-school-meals/>

Who is eligible for free school meals?

Free school meals are available to pupils in receipt of, or whose parents are in receipt of, one or more of the following benefits:

- Universal Credit (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guarantee element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on – paid for four weeks after you stop qualifying for Working Tax Credit

Safe Use of Children's Photographs and Video

Taking, keeping and publishing photographs and video footage involves processing personal data. The School's Privacy Notice will cover the majority of processing where it is limited to official use, monitoring and for educational purposes. However, to comply with the Data Protection Act and the General Data Protection Regulations, consent will be required where there is additional processing of personal data which is not within the reasonable expectation of those involved, such as taking photographs for certain media use.

The use of photography and video within the school is an essential part of the regular curriculum work of the school. This includes, for example, the use of these media for assessment purposes, recording of work in topic books and for internal celebration of work on displays. We may occasionally use video containing your child to share good educational practice with teachers. In these instances, we will adhere strictly to the rules on using photographs outlined in our policy.

Broadwater Church of England Primary School would like to take photographs and or video recordings of pupils whilst they attend the school to celebrate their achievements and successes. Still or moving images may be published in our printed publications (e.g. School prospectus, newsletters) and/or on our external website. They may also be used to promote the good educational practice of the school to other teachers, e.g. at training events organised by the school, Local Authority or national education/government institutions. Children's full names will never be published alongside their photograph externally to the school. Names may be used internally, for example – on a display. Photographs/videos may also be published for *internal use only*, as part of children's regular classroom work e.g. on classroom displays, within multimedia projects (e.g. PowerPoint), on the school's internal network and to share educational achievements with parents, e.g. video presentation of a school trip. Electronic images, whether photographs or videos, will be stored securely on the school's network which is accessible only by authorised users.

Promotional materials including photographs may continue to be used once a child has left the school until such time that these materials are updated e.g. website photographs and brochure photographs.

Before using any photographs/videos of children parental permission is sought. This is by means of the School Enrolment Booklet new parents complete prior to their child's entry to the school. This consent is valid from the date of signing until your child leaves the school.

Photographs and videos may be securely archived after your child has left the school. Archiving provides a valuable record of the school's history for future generations. On an occasional basis such as a published historical record of the school or new publicity material where a specific photograph illustrates clearly an aspect of school, a photograph may be re-used or re-published. If we receive a request to use your child's image (photograph) from an external body we would seek permission for this.

We recognise that parents, carers and family members will wish to record events such as school plays, sports days etc. to celebrate their child's achievements. Broadwater is happy to allow this on the understanding that such images/recordings are used purely for personal family use and not posted to any public social media.

Please note that photographs may be taken at public events/performances by third parties beyond our control.

Pupil Acceptable Use Agreement– for older pupils in Key Stage 2

School Policy

Digital technologies have become integral to the lives of children and young people, both within schools and outside school. These technologies are powerful tools, which open up new opportunities for everyone. These technologies can stimulate discussion, promote creativity and stimulate awareness of context to promote effective learning. Young people should have an entitlement to safe access to these digital technologies.

This acceptable use agreement is intended to ensure:

- that young people will be responsible users and stay safe while using the internet and other digital technologies for educational, personal and recreational use.
- that school systems and users are protected from accidental or deliberate misuse that could put the security of the systems and will have good access to digital technologies to enhance their learning and will, in return, expect the *students/pupils* to agree to be responsible users.

Acceptable Use Agreement

I understand that I must use school systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the systems and other users.

For my own personal safety:

- I understand that the *school* will monitor my use of the systems, devices and digital communications.
- I will keep my username and password safe and secure – I will not share it, nor will I try to use any other person's username and password. I understand that I should not write down or store a password where it is possible that someone may steal it.
- I will be aware of “stranger danger”, when I am communicating on-line.
- I will not disclose or share personal information about myself or others when on-line (this could include names, addresses, email addresses, telephone numbers, age, gender, educational details, financial details etc.)
- If I arrange to meet people off-line that I have communicated with on-line, I will do so in a public place and take an adult with me.
- I will immediately report any unpleasant or inappropriate material or messages or anything that makes me feel uncomfortable when I see it on-line.

I understand that everyone has equal rights to use technology as a resource and:

- I understand that the *school* systems and devices are primarily intended for educational use and that I will not use them for personal or recreational use unless I have permission.
- I will not try (unless I have permission) to make large downloads or uploads that might take up internet capacity and prevent other users from being able to carry out their work.
- I will not use the *school* systems or devices for on-line gaming, on-line gambling, internet shopping, file sharing, or video broadcasting (e.g. YouTube), unless I have permission of a member of staff to do so.

I will act as I expect others to act toward me:

- I will respect others' work and property and will not access, copy, remove or otherwise alter any other user's files, without the owner's knowledge and permission.
- I will be polite and responsible when I communicate with others, I will not use strong, aggressive or inappropriate language and I appreciate that others may have different opinions.
- I will not take or distribute images of anyone without their permission.

I recognise that the school has a responsibility to maintain the security and integrity of the technology it offers me and to ensure the smooth running of the school:

- I will only use my own personal devices (mobile phones/USB devices etc.) in school if I have permission. I understand that, if I do use my own devices in the school, I will follow the rules set out in this agreement, in the same way as if I was using school equipment.
- I understand the risks and will not try to upload, download or access any materials which are illegal or inappropriate or may cause harm or distress to others, nor will I try to use any programmes or software that might allow me to bypass the filtering/security systems in place to prevent access to such materials.
- I will immediately report any damage or faults involving equipment or software, however this may have happened.
- I will not open any hyperlinks in emails or any attachments to emails, unless I know and trust the person/organisation who sent the email, or if I have any concerns about the validity of the email (due to the risk of the attachment containing viruses or other harmful programmes)
- I will not install or attempt to install or store programmes of any type on any school device, nor will I try to alter computer settings.
- I will only use social media sites with permission and at the times that are allowed

When using the internet for research or recreation, I recognise that:

- I should ensure that I have permission to use the original work of others in my own work
- Where work is protected by copyright, I will not try to download copies (including music and videos)
- When I am using the internet to find information, I should take care to check that the information that I access is accurate, as I understand that the work of others may not be truthful and may be a deliberate attempt to mislead me.

I understand that I am responsible for my actions, both in and out of school:

- I understand that the school/academy also has the right to take action against me if I am involved in incidents of inappropriate behaviour, that are covered in this agreement, when I am out of school and where they involve my membership of the school community (examples would be online-bullying, use of images or personal information).
- I understand that if I fail to comply with this acceptable use agreement, I may be subject to disciplinary action. This could include loss of access to the school network/internet, detentions, suspensions, contact with parents and in the event of illegal activities involvement of the police.

Please complete the sections on the next page to show that you have read, understood and agree to the rules included in the acceptable use agreement. If you do not sign and return this agreement, access will not be granted to school systems and devices.

I have ensured that my child understands that it is important for his/her safety and for the safety of the group that any rules and instructions given by the staff in charge are obeyed.

I understand that, while the school staff and helpers in charge of the party will take all reasonable care of the young people, unless they are negligent they cannot be held responsible for any loss, damage or injury suffered by my son/daughter arising as a result of the journey.

I consent to any emergency medical treatment necessary during the course of the visit
